## BRING THE BIBLE TO LIFE FOR KIDS!

Over the past few weeks, I have been looking over the many resources for children and youth ministry created by various publishing houses. Honestly speaking, it can get overwhelming to look over catalogs, through websites, and wonder what the best choices are. Some promise to be flashier than others, while a different one claims to be the most thorough.

This week I finally placed an order for Bibles that will be shared with our youngest at the church services on Renewal Sunday, September 11, when we launch our programming year. These Bibles will help us to place the written Word of God into the hands of our children and youth. However, it will take all of us at home, in church, and out in the world to help make these tomes come to life!

It is through our life examples that these Bibles will not become dust-gatherers on a shelf, but rather a life-giving map for the lives of our youngest. There are many ways through which we can encourage a lively and healthy relationship to the written Word of God, and one of those ways is by helping with Sunday School/Confirmation classes.

As a reminder, we will have one classroom for Godly Play (pre-K), three classrooms for Trinity Village (group 1 for grades K-1, group 2 for grades 2-3, group 3 for grades 4-5, and one Confirmation classroom (grades 6-9).

As we look forward to the upcoming year, and all these classes, we will need adults to take a leadership role by devoting at least one Sunday (or a dozen Sundays!) to assisting the core group of teachers in one of the five Sunday School/Confirmation classes. We will need to have at least one adult assistant per classroom every Sunday that classes are in session. Any individual who volunteers for this very necessary ministry will need to have an updated background check on file.

The five core Sunday School teachers will prepare their respective classes by using curricula we have purchased through publishing houses and will need help in managing classrooms—this means you don't necessarily have to teach! Of course, if teaching is a gift you'd like to share, we have options for that to happen, too. Please reach out to [Deacon David](#) (612-729-8358) if you are interested in helping to make sure that the Bible becomes a life-giving asset to the youngest in our community!
